Br. Nayan Pandit, Chicago, IL

*Faith itself. When we have no faith in Faith, we cannot have Faith.*

*If we really love Him and if we believe with our hearts that He loves us, there is no need to trust, there is no need for Faith, there is no need for anything. He has to give as much as I have to receive, but in the right time, in the right way, in the only way which He knows is right for us!*

*Therefore that is the ultimate Faith. If at all there is Faith, it is Faith that He knows what to do and when to do it."*
